Reservation – example:

When you make a party reservation for 20 children and 15 adults. If you contact us a week before the party date and inform us that there will be 18 children instead of 20 and 13 adults instead of 15, that is 4 people less at €12 per person = €48-€50. Then you save €50.

At any other establishment you would pay the first agreed price no matter how many people attend the party.
